

Finding the Static URL ("Permalink") for a Luria Library Database

1. Select "Database descriptions" from the "databases" tab on the library homepage (<http://library.sbcc.edu>)

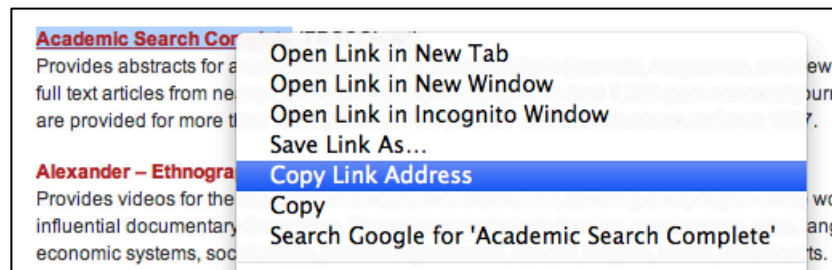

2. **Right click** on the title of the database, and select "copy link" (the menu will differ slightly, depending on which browser you are using)

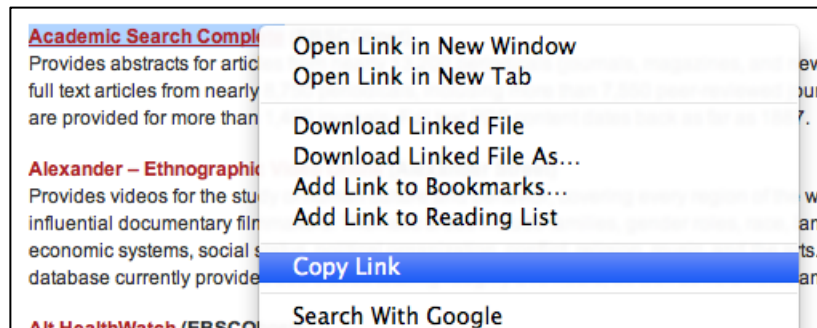

Firefox:

Chrome:

Safari:

3. Paste the copied link into your document or webpage.
